

# STATE VALUATION SHOWS INCREASE

A total valuation of assessable property in the state of not less than \$299,000,000 is indicated by the fact that budgets of the various coun-

ties, all of which have been received by the state tax commission, shows an estimated valuation of \$191,299,924 as against an estimated valuation in 1918 of \$131,241,094. A considerable loss in billion val-

uations is anticipated this year as a result of the condition of the copper market, they expect that the final result of assessment after equalization will show a total valuation in excess of that of last year.

# GERMANS PREPARE TO RESUME TRADE

(Correspondence Associated Press) WITH THE AMERICAN ARMY OF OCCUPATION, April 23.—German mail passing through the American censorship recently has been made up principally of letters relating to resumption of commercial relations with the United States. Great Britain and France. Dealings in clothing materials and articles of clothing take up a predominant place in the letters referring to business matters, and from indications in the mail it would seem that a great deal of cloth is being imported into occupied Germany from France and Alsace-Lorraine.

of metals such as steel, iron, zinc, and tin and there are enormous stocks of machinery of various kinds on hand. Lack of coal and inadequate transportation facilities, such as shortage of freight cars, are the deciding factors in curtailment of the business and industrial activities of the country.

## HUMBOLDT MINING MAN HANDLING DIVIDE COMPANY

G. W. Warmoth, well known mining man of Seven Troughs and Rockwell, was in Winnemucca today, says the Humboldt Star. He left this afternoon for Divide, where he has quite extensive interests. Mr. Warmoth is president and general manager of the Coalition Divide Mining company, which owns a group of claims in the Rosetta section of the Divide district. Arrangements are being made for developing the property, which is said to have a promising surface showing. Mr. Warmoth's company also owns a silver property situated near Luning Mineral county. This property is an old one upon which a large amount of development has been done. Mr. Warmoth's associates are Lovelock and Reno parties.

## SOCIALIST COLONY AT FALLON TO DISSOLVE

The Nevada Colony Corporation reorganization scheme, undertaken at Fallon by Socialist idealists in March 1916, as a cure-all for the economic evils which beset mankind will expire shortly according to the plans of those in charge of the affairs of the organization, says the Churchill County Standard. Conceived and put forward as a real Utopia, where class distinction was unknown and profit-sharing was equal, mundane notions came in about the proportion that population was gained until finally dissension and strife gained the upper hand.

## Let Us Send You a "Swift Dollar"

For a Pocket Piece

It will interest you.

It shows where the money goes that Swift & Company takes in.

It shows that out of every dollar received by Swift & Company from the sale of meat and by-products in 1918—

- 1—Swift and Company paid for live animals 85.00 cents
- 2—Swift and Company paid out for labor, freight and other expenses - - - 12.96 cents
- 3—Swift & Company had left a profit of only - - - 2.04 cents

Total 100.00 cents

The 2.04 cents remaining as profit equals only a fraction of a cent per pound. It is too small to affect materially the price of live stock to the farmer or the price of meat to the consumer.

A "Swift Dollar" will be mailed you on request. Address
